Dear Mr Gilbert,

It was very good to be able to attend Harrogate's Hospitality and Tourism Awards on Tuesday evening. I thoroughly enjoyed the occasion, it had a great buzz, and it was marvellous to celebrate and recognise the individuals that enhance the town's reputation.

I want to congratulate you and your team personally for winning the 'Team of the Year' award which you received on the night. Great organisations and individuals were short listed in all the award categories, with the finest picked out as winners – the quality of the applications really shone through. It is a great achievement and you must be delighted with your award.

I wish your company every success for the future and once again congratulate you on this most outstanding achievement.

Yours sincerely,

Andrew Jones
